Homecoming

Our first dedicatee was born September 2, 1957. He is the 7th of 9 siblings and he grew up in Northern California. He attended and graduated from Highlands High School in North Highlands California.He started out as a dish washer then worked his way up to a tour guide. After that he got an education in cosmetology. And opened his own salon, thats when he met his partner David Kislingbury.so they went back to Winslow and opened up a salon in which they had much success. i n 1992 David got ill and past away in 1997. So he stayed in Winslow and fell in love with the area. so after years of making masterpieces in his salons. he decided he wanted a career change, so he opened a gift shop. He saw an opportunity to become Executive Director of the Chamber of Commerce. so it arose at this time so he jumped at the chance. He absolutely loves what he is doing he loves sharing his ideas. He has been a board member for the Big Brothers Big Sisters of Northeastern AZ, served on the Chamber of Commerce Board of Directors, was a swim coach, and a member of Winslow Catholic community Church Choir. these are just a few of the many things that he does. His extreme generosity, kindness, and love for his family, friends and community are what makes him so special to our town.He may not have been born and raised in Winslow but his heart and soul is in everything he does for this community

Dedicatees

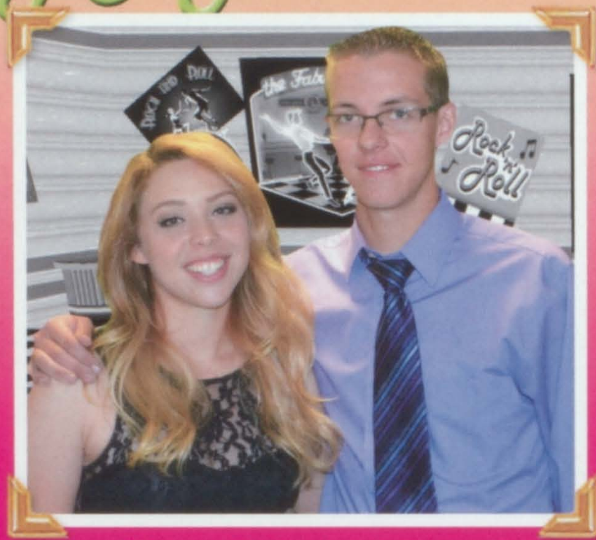

Our next dedicatee moved to Winslow way back in 1990. She got married on valentines day (romantic soul) to John Adams. They have 2 kids and now enjoys her 3 grandchildren and with another one on the way. during raising her children she helped coach t-ball, basketball, soccer, and swimming. she also organized the neighborhood kids to participate in parades cookouts and creek days. the creek was a summertime favorite place. she decided to return to school in the early 90's. she attended 1 year at NPC and then transferred to NAU. her teaching career began in a hurry. the high school, needed an algebra teacher in October. she taught at Bonnie Brennan high school the science class room. all in all, she has positively affected students for 20 years. one of her memorable lesson was on a cell. she baked 200 sugar cookies so the kids can construct a cell using her decorations. another favorite was her 'DAM lesson" students would ask her what they were learning about she replied with 'JUST A DAM LESSON' then introduce her lessons on dams. she started the junior high talent show 'ALL STUDENTS WERE WELCOME IN HER CLASSROOM AND THEY GREW IN THERE. SHE ALWAYS WENT ABOVE AND BEYOND IN HER LESSONS AND IN THEIR LIVES".

"Jo-Jo"

Jo-Jo,

Congratulation on your special year! You have always motivated me to be the best in everything I did. No matter what your future plans are I support you in your decision. Wishing all the best for you. I will always love you, no matter what.

Love Your Sister, Chachi

Hey Jo-Jo! I hope you enjoyed your 4 years of high school. I can tell you one thing is for sure, I enjoyed my high school days with you. We've had one hell of a journey that has taken us to Durango, Colorado to Mission Beach, California and other very memorable places. I'm glad you were there with me. You are the last one to graduate from high school, which means mom and dad can have a break from all the driving around to games and practices. Ha-ha. Finish the year strong and remember your hard work will open many opportunities for you.

Love you, Jesi

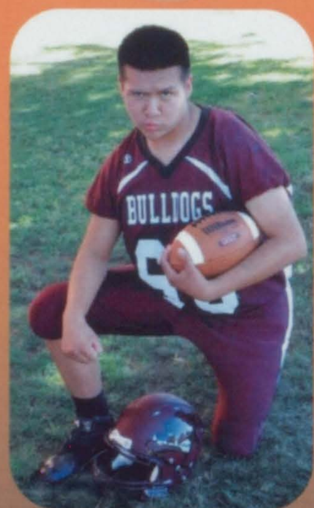

My Jo-Jo,

I remember the day you were born, you marked a special place in my heart. I've seen you grow into a, unique, strong, handsome man with a beautiful heart. I pray that all obstacles in your future are easily tackled. I love you with all my heart.

Love, Grandma Frances

Life is a chance, Love is infinity, Grace is reality, Anything and Everything is possible. You just need to reach out for it. Opportunity only knocks ONE time!

Love Nali, Carol Bitsoi

My Jo– Jo, My Schnook, My Mooley,

We have enjoyed watching you grow into a great young man. You have given us so many reasons to be proud, but the proudest moment for us is telling everyone you are our son. We wish you strength and courage to face any challenges, and the wisdom to choose your own path carefully. Always listen with your heart, always remember how much you are loved and mesmerize the world with your smile!

To my sonny boy Jo-Jo !

"*Yesterday is history, Tomorrow is a mystery, Today? Today is a gift, that's why we call it the present.*" ~B. Olatunji~ Many things in life require sacrifices and you can only make that decision yourself, just as you control your own thoughts and body. All accomplishments are not difficult, only if you make them difficult for yourself. As each second, minute, day, week, month and year passes: you can never get those back. So make each second count, because you only live once. The sky is the limit! You have the world at your grasp. Go out there and accomplish what your heart desires. Remember if it wasn't hard then, anyone could do it. YOU GOT THIS! I LOVE YOU SON!

Love ,Auntie Carm

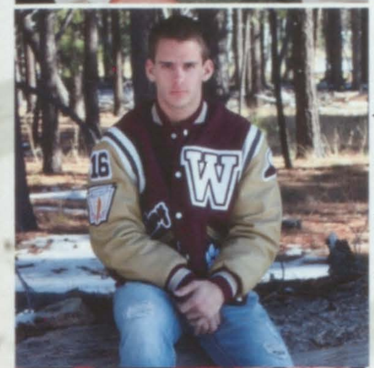

Zachary Mark Pollard~

You have decorated our lives in every way imaginable. You are brilliant in every sense of brilliant and you have made every day of our lives a blessed day. When I walk the hallways of your high school or the grocery store aisles, I am stopped repeatedly by your friends, teachers, coaches, etc. to tell me what a wonderful, loving, hard-working gentleman you truly are. You make the world a better place and we are very proud and honored to send you into the world with your beautiful heart and your talented God given gifts!...

May the next chapter of your life be paved with this advice ~

Be a GENTLEMAN like your grandpa Pollard. Don't focus on finding the right woman. BE the right man and the right one will find you.

Just remember, S.W.A.G. doesn't mean "cool" it means She Wants a Gentleman. *Please, thank you, getting the door* are always in style.

Put FAMILY FIRST in life like your grandma Pollard. Be the historian and know where you come from. Be the best friend, brother, son, father, that you can possibly be. Visit and call family often and Love with all your heart.

Be HUMBLE and HONEST like your Pa Pa Simonton. Humble people are full of God. Feel the pride in your success but compose yourself with humility. Look for the good in others. Always take the high road. Tell the TRUTH even if you tremble.

CELEBRATE LIFE like your Grana Simonton. LOVE this life you've been given and celebrate every chance you get. Live in the moment and spend your days investing in "people" not "things".

Be FAITHFUL like your uncle Jack and your aunt Kristen. When fear comes knocking at your door send your faith to answer. At the end of the day, you answer to one Superior, Jesus Christ. It is your faith that will be there when nothing else remains.

LOVE like your great grandmother Me Me. Do everything through love. See the world through the eyes of another; listen with the ears of another and feel with the heart of another. Develop the power of empathy. Strive to let no one come to you without leaving happier. Wake up every day and do something extraordinarily nice for someone else. Let your kindness be your legacy.

LAUGH like your little sister Grace. Have a good belly laugh every day if you can. Don't sweat the small stuff and lighten up every situation with humor. Live with happiness in your heart and keep the FUN in the fundamentals.

Be TRUE TO YOURSELF like your big sister Brooke. Be brave and courageous to be YOU. You were created for a purpose. Figure out what it is and give your heart and soul to the world.

Be UPRIGHT and DILIGENT like your father. Bring to life the same hustle that you brought to the wrestling mat. Always do what is *right* not what is *easy*.

Be PASSIONATE like your mother. Do all things with passion or not at all. Seek out the moments that create butterflies in your stomach. Don't let fear hold you back. Every mistake is a stepping stone in life propelling you forward. Do things with your whole heart and to the best of your ability.

These are the people who have decorated YOUR life. Let their example be your compass. You are armed with virtue for all the peaks and valleys that life will offer. It is time to fly and become the best version of YOU. We love you more than anything in the world and our love will always be here for you. Spread your wings beautiful son and FLY!

Love Always,

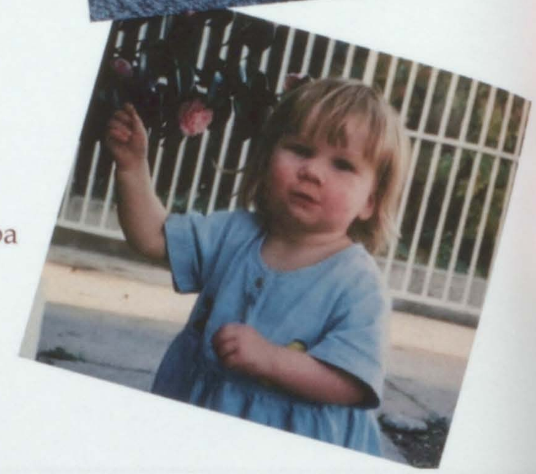

Payton, Dolly, Sissy-(you have several names by all the people who love you and are SO proud of you)

Girl, it has been a long, bumpy ride.. And I couldn't be more proud of the woman you continue to become every day. Remember, this thing called "life" is a journey and an adventure that the Lord has already set in motion for you. Trust Him!!!

A WORD FROM THE EDITORS

How did it all go so fast? Its seems like only yesterday we were trying to find our classes and looking to the upper classmen, impatiently waiting to be seniors. Now we are the seniors ready to graduate. Class of 2016, don't waste your time, life is too short and too precious to sit back and do nothing.

"You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You're on your own. And you know what you know. You are the guy who'll decide where to go." - Dr. Seuss

Also, We would like to thank everyone who worked on the yearbook, you did a great job.

Our Past are Behind us,
But our Memories are
Forever with us."
